LATITUDE 9520

# Brilliantly collaborative

Configurable as a laptop or 2-in-1

## SMALLEST ULTRA-PREMIUM BUSINESS 15" PC<sup>17</sup> INDUSTRY'S 1ST AUTOMATIC SAFESHUTTER<sup>18</sup>

Ultra-premium mobility meets productivity. The Latitude 9520 is lightweight and portable starting at a mere 3.1 lbs / 1.45 kg. The 15.0" InfinityEdge screen provides maximum working area in a surprisingly small 14" size, with a camera shutter for added privacy. A stunning brushed aluminum design with diamond cut edges offer ultimate style with a keyboard and touchpad that feels as good as it looks. World's first SafeShutter<sup>18</sup> will automatically opens or closes for meetings, or take control of privacy with camera and mic mute keys.

## INNOVATION & SUSTAINABILITY

With Latitude innovation never stops, and neither does our commitment to listening to our customers. IT can manage thermals within the BIOS. It's not tied to software which saves on hard drive size, and saves IT management. Inside are carbon blade fans for quieter cooling, so users can stay focused on work. Additionally, two pipes are better than one for removing heat, and our 2-in-1s have an adaptive thermal response, so they stay cooler on your lap than when on a desk. With our commitment to sustainability, we use low VOC waterborne paint on 100% painted parts, and 100% recycled material in 2-in-1 packaging trays (25% ocean-bound plastics + 75% HDPE). The 9520 is EPEAT Gold registered.<sup>20</sup>

## THE ONLY THING YOU NEED IS OUR LONGEST RUNNING 15" PC

There's no need to carry chargers, adapters, hot spots or to find a conference phone with the Latitude 9520. It was built to break records with superb battery life as a priority. The powerful built-in speakerphone, high quality top-firing speakers and Waves Maxx<sup>®</sup> Audio finely tune for an in-person conference experience. Intel<sup>®</sup> Wi-Fi 6 (Gig+) delivers nearly 3x faster speeds and next-gen security to PCs and wireless networks. Or stay connected with available 5G or 4G LTE.<sup>28</sup> Intel<sup>®</sup> Evo<sup>™</sup> vPro<sup>®</sup> verified to deliver businesses the built-in security features, manageability, and stability IT needs along with consistent responsiveness, long real-world battery life and instant wake for an exceptional user experience.

*9520 with vPro coming soon*

## WORLD'S MOST INTELLIGENT 15" PC WITH BUILT-IN AI<sup>21</sup>

The Latitude 9520 features Dell Optimizer, built-in AI that learns and responds to the way you work to improve application performance, battery life and audio settings in the background. New ExpressConnect provides seamless Wi-Fi by pushing bandwidth to conferencing applications and joining the best access points. All controlled through one module, at no additional cost, to reduce lag and help you run at peak performance.

See important information on page 7

# The world's most intelligent PCs featuring Dell Optimizer

Latitude devices feature Dell Optimizer a built-in artificial intelligence software that learns and adapts to your behavior to create a smarter, more personalized user experience. It automatically improves application performance, battery run time and more in the background, so you have fewer disruptions no matter where you're working.

## ExpressConnect

Experience seamless Wi-Fi. New ExpressConnect<sup>21</sup> automatically joins the strongest access point in the office and directs bandwidth to conferencing applications, wherever you work.

## ExpressResponse

With Intel® Adaptix™ Technology, prioritize your most important apps, so they open faster and perform better.<sup>22</sup>

## ExpressSign-in

Get to work fast with our PC proximity sensor enabled by Intel® Context Sensing Technology that detects your presence to instantly wake and log you in via the IR camera and Windows Hello, all without lifting a finger. It locks when you walk away, so your work stays safer.<sup>23</sup>

## ExpressCharge 2.0

Dell Optimizer extends runtime and improves battery performance by adapting to your patterns. ExpressCharge Boost delivers up to 35% charge in about 20 minutes, or up to 80% charge within 40 min with new ExpressCharge 2.0.<sup>24</sup>

## Intelligent Audio

Collaborate like you're in the same room. Intelligent Audio enhances your audio quality and reduces background noises, so you can hear and be heard, creating a better conference experience for all.

# Recommended accessories

LATITUDE 9520

## ON-THE-GO

DELL PREMIUM ACTIVE PEN | PN579X  
(compatible with 2-in-1)

Easily take notes and stay organized whether in meetings or on the go.

DELL ECOLOOP LEATHER SLEEVE 15

Protect your laptop with this sleek and stylish leather sleeve made from 50% recycled materials<sup>25</sup>.

DELL PREMIER BACKPACK 15 | PE1520P

This backpack is designed to allow you to move quickly through TSA security checkpoints without removing your laptop. The EVA foam cushioning will provide ultimate impact resistance to protect your work essentials.

DELL USB-C MOBILE | DA310

Compact and portable 7-in-1 USB-C mobile provides superb video, data connectivity and up to 90W power pass-through to your PC.

## AT THE DESK

DELL THUNDERBOLT DOCK | WD19TB

Work at full speed with Dell's powerful Thunderbolt Dock. Charge your system faster, support up to two 4K displays and connect to your peripherals via a single cable.

DELL ULTRASHARP 27 4K USB-C MONITOR | U2720Q

Experience true color and striking clarity on this 27" 4K monitor with a wide color coverage. Features VESA DisplayHDR™ 400, InfinityEdge and USB-C connectivity with up to 90W power delivery.

DELL PREMIUM RECHARGEABLE MOBILE WIRELESS MOUSE | MS7421W

Long lasting rechargeable mouse with a battery life of up to 6 months on a full charge<sup>26</sup>.

DELL DUAL MONITOR ARM | MDA20

This comprehensive dual monitor and system mounting solution keeps your desk clutter free. It is the world's first monitor arm that offers swivel angle adjustment with a flip of the switch<sup>27</sup>.

DELL DOCKING STATION MOUNTING KIT | MK15

Easily attach your Dell Dock to the Dell Dock Mounting Kit and mount it behind a monitor, to a wall or under the desk for a clutter-free workspace.

JABRA EVOLVE2 85

Engineered to keep you focused. The best headset for concentration, collaboration and productivity. All-day comfort with leather-feel ear cushions and on-the-ear design.

# Built for business

## Experience a new way to work with Dell Technologies Unified Workspace. Intelligence built-in. Modernization built-on.

We know that having the right device is just the start to a great workday. Employees need intelligent, intuitive and responsive experiences that allow them to work productively and without interruption. Dell Technologies Unified Workspace is transforming the employee experience and ensuring IT has proactive, predictive and automated solutions to deliver on the promise of a modern workday, while simplifying their ability to deploy, secure, manage and support their environment.

### DEPLOY

ProDeploy in the Unified Workspace allows IT to move away from traditional, high-touch, manual deployment, and instead, ship devices preconfigured with company apps and settings from the Dell factory directly to their end users—having end users up and working on day one.

### SECURE

Dell Trusted Devices are a secure foundation for the modern mobile workforce. Our comprehensive family of endpoint security solutions work together to secure the device both above and below the OS, giving IT confidence and enabling end users to remain productive.

### MANAGE

With Dell's modern end-point management solutions, we can accelerate uninterrupted workflow with automation, integration and optimization from one trusted partner.

### PROSUPPORT CLIENT SUITE WITH SUPPORTASSIST

AI-driven predictive, proactive support keeps end-users working at full speed and IT admins looking ahead by virtually eliminating unplanned downtime.

DELL Technologies

LATITUDE 9520

Brilliantly collaborative

- 1 Offering may vary by country and by configuration.
  - 2 A 64-bit operating system is required to support 4GB or more of system memory.
  - 3 GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.
  - 4 Limited Hardware Warranty: For copy of Limited Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see [www.dell.com/warranty](http://www.dell.com/warranty)
  - 5 Tap to Pay will not be supported. Tap to Login is only supported with USH SKU
  - 6 The stated Watt Hour (Whr) is not an indication of battery life
  - 7 Intel Rapid Storage Technology requires a HDD, mSATA, or an SSD, as primary storage device. See OS requirements
  - 8 Wireless antenna and module available only at time of system purchase
  - 9 Dell Latitude 9520 are brominated flame retardant free (BFR-free) and polyvinyl chloride free (PVC-free); meeting the definition of BFR-/PVC-free as set forth in the INEMI Position Statement on the 'Definition of Low-Halogen Electronics (BFR-/CFR-/PVC-free)'. Plastic parts contain less than 1,000 ppm (0.1%) of bromine (if the Br source is from BFRs) and less than 1,000 ppm (0.1%) of chlorine (if the Cl source is from CFRs or PVC or PVC copolymers). All printed circuit board (PCB) and substrate laminates contain bromine/chlorine total less than 1,500 ppm (0.15%) with a maximum chlorine of 900 ppm (0.09%) and maximum bromine being 900 ppm (0.09%).
  - 10 Mobile Broadband Subject to service provider's broadband subscription and coverage area; additional charges apply.
  - 11 Onsite Service after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty ([www.dell.com/warranty](http://www.dell.com/warranty)) and not resolved remotely, technician and/or part will be dispatched, usually within 1 business day following completion of Remote Diagnosis. Availability varies. Other conditions apply.
  - 12 Dell Services: Availability and terms of Dell Services vary by region. For more information, visit [www.dell.com/servicesdescriptions](http://www.dell.com/servicesdescriptions).
  - 13 GB means 1 billion bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors.
  - 14 Miracast Wireless Technology: Requires a compatible media adapter (sold separately and can be integrated into the display) and an HDMI-enabled display.
  - 15 Weights vary depending on configuration and manufacturing variability.
  - 16 Available in US only.
  - 17 Based on Dell analysis, October 2020.
  - 18 Based on Dell analysis, October 2020.
  - 19 EPEAT Gold registered in the U.S. EPEAT registration varies by country and configuration. See [www.epeat.net](http://www.epeat.net) for registration status by country.
  - 20 Based on Dell analysis, October 2020.
  - 21 Best network selection based on signal strength, channel congestion, router type and others. Network suggestions based on user credentials.
  - 22 ExpressResponse must be enabled in the Applications feature. DO learns how user uses the selected application(s) over several hours. Based on Dell testing using Sysmark 2018 benchmark running productivity applications, March 2020. Improvement will vary based on product configuration, use, application and other factors.
  - 23 ExpressSign-in available on Latitude 9000, 7000 and 5000 series. See product details for availability.
  - 24 ExpressCharge with Dell Optimizer (DO) requires 14 days to learn the user's behavior, then dynamically applies appropriate battery settings. DO Adaptive Battery setting must be enabled in the Power feature settings labeled "Adaptive Battery Performance". Improvement will vary based on product configuration, use, software, operating conditions, power management settings and other factors. Improvements may decrease over time. System performance may be impacted. ExpressCharge can recharge system battery from 0% up to 80% within 40 minutes. After charging has reached 80% capacity, charging speed will return to normal speed. Recommended for use with the provided Dell power adapter; not recommended with a smaller capacity power adapter. Charging time may vary +/-10% due to system tolerance. ExpressCharge Boost can recharge system battery from 0% up to 35% within 20 minutes when system is powered-off and battery temperature is between 16-45 degrees C. With ExpressCharge mode enabled, the system battery can then continue charging up to 80% within 40 minutes. After charging has reached 80% capacity, charging speed will return to normal speed. Recommended for use with the provided Dell power adapter; not recommended with a smaller capacity power adapter. Charging time may vary +/-10% due to system tolerance.
  - 25 Based on Dell analysis, September 2020. Percentage of recycled content by weight.
  - 26 Based on Dell internal analysis of battery life usage model calculations, Nov 2020. Results vary depending on usage and computing conditions.
  - 27 Based on Dell internal analysis, November 2019.
  - 28 Mobile Broadband Subject to service provider's broadband subscription and coverage area; additional charges apply.
